

LA CAVE PREMIUM CAPE BLEND

Perfection of Time

The La Cave story goes back a long time, to when Winemakers matured quality wines underground to protect them from extreme temperatures. Named after the Cave – like labyrinth with impressive stone arches and receding candlelit recesses.

La Cave wines are matured slowly in small first fill French oak barrels.

Meticulous selection from the best single-varietal vineyard blocks, the range is made in limited volumes ensuring that only the finest quality wines are branded La Cave.

After malolactic fermentation SO₂ adjustments were made and the wine was racked to a combination of new and second fill oak barrels for 14 months. A combination of American and French oak was used
