

WELLINGTON

WINES

Duke No33 Sauvignon Blanc

Curiosity leads with an authentic mind

100% Sauvignon Blanc

Tasting Notes

This wine has an abundance of tropical flavours, with undertones of green fig and gooseberries. Tropical fruit carries through on the palate with a well-balanced acid on the finish.

Winemaking Notes

Various selected blocks were used for this wine, and picked at optimum ripeness. Only free run juice was used and cold fermented. After fermentation the wine was kept on the fine lees until final bottling preparations.

Analysis

Alcohol: 13.33%

Sugar: 3.3 g/l

Acid: 6.1

pH: 3.42

Serving Suggestions

Excellent with sushi and light meals, or just on its own!.

Serve well chilled with family and friends.
